1. The information available on this site and those of all sites linked to this site is provided solely for information purposes regarding Smiths Detection and its subsidiary companies and the products and services they offer.

2. Smiths Detection makes all reasonable efforts to ensure that the information and material provided at this site is accurate at the time of inclusion, but at any particular time there may be inaccuracies, omissions or information which is not up to date. Smiths Detection may at any time add to, delete, correct or otherwise change any part of the information or material contained in the site without notice or liability.

3. In visiting this site you agree to accept the application of English law to govern matters between Smiths Detection and yourself.

4. Smiths Detection makes no representations about the materials or information in this site or any sites linked to this site. With respect to the information available on this site Smiths Detection expressly excludes any representation or warranty (express or implied) to the fullest extent permitted by law. Smiths Detection accepts no liability for any direct, indirect, special, or consequential damages, or any lost profits, or other losses or damages of any kind, whether or not Smiths Detection is advised of the possibility of such damages.

5. The information contained in this site does not constitute an offer to sell or an invitation to purchase or otherwise deal in, or hold, any shares or other securities of Smiths Detection and should not be relied upon in relation to any investment decision.

6. The copyright in the material contained in this site belongs to Smiths Detection or its subsidiaries (or its licensors).

7. Any information provided by you to Smiths Detection by e-mail or otherwise in response to this site shall be non-confidential. Smiths Detection shall have all rights to the information provided and may use it in any way it chooses.
